Megan/Lew-

Heads up.

Megan-

Please let me know if there is anything else I need to hassle Dale Manty about. Does what Jim shared give ORD what it needed to take and allocation our FY2014 CBPO funds?

Thanks, Rich

Just to make sure you know it was sent to Dale Manty, I am forwarding to you the supplemental request from PSU for our Nutrient Center. Please let me know if there is anything I need to do to keep this moving.

Thanks! Jim
